

## **COVID Policies Update North Coast Gymnastics**

June 7, 2021

### **Staff and Athlete/Participant Updates:**

All Staff who are fully vaccinated and past the two-week mark may choose to coach without a mask on.  
(verified by NCGA)

All athletes/participants who are fully vaccinated and past the two-week mark may choose to train without a mask on. (honor system) Spacing will still take place during practices.

All athletes over the age of 5 should have a mask on for entry and exit of facility, masks MAY be taken off while actively participating in gymnastics. (per Washington state guidelines) Spacing and extra cleanings will continue.

No more Health screen tickets upon entry, if a child is dropped off with any cold/flu/covid symptoms they will be promptly isolated and need to be picked up within 15 minutes. Please make sure you continue to self-screen as you all have been doing.

### **Non-Staff or Non-Athlete/Participant Updates:**

We are reopening parent viewing! We ARE asking all non-staff or non-participants; parents, grandparents, guardians, etc. to continue to WEAR A MASK while in our facility regardless of vaccination status.

You have all been so wonderful at keeping kids home when they are sick, testing and keeping us in the loop! We have been diligent to space, wear masks, clean, health screen. And we have been able to stay open! We will not require masks for non-staff or non-participants forever, however for us to safely re open parent viewing and to allow our staff and athletes to train mask free, we need your help in the transition! I will send another update after June 30<sup>th</sup>.

### **Here are a few links regarding changes:**

We are SO thrilled to moving in a forward direction, we are not through this yet! We appreciate your continued care and help to keep North Coast Gymnastics open and operating smoothly so we can train, play, grow and learn together!

All our best,

Bekah and Kent Charette
